

Patient Onboarding Tutorial

The Optimized Outcome Solutions program is designed to provide weekly engagement with your Injured Workers on the Four Pillars of recovery – Mindset, Nutrition, Activity and Rest. The program utilizes three emails per week plus a live phone call from one of our Recovery Guides.

To onboard an Injured Worker please use the Referral Form via www.optimizedoutcome.com Home Page –

Our Communication Specialist will email you confirmation of your placement and reach out to the Injured Worker within 24 hours. This first call will establish the best time for our Recovery Guide to schedule the weekly calls, create the Username and Password for Content Library Access and, outline the program to answer any questions.

Please any questions or issues to Info@OptimizedOutcome.com and one of our Communications Specialist will respond by end of business day or the following morning.
